No. 505 P.

Dated 28th January 1902.

SIR,

With reference to the Govt. Progs No. 6106-7/ L.B.(B). 274 dated 22nd October 1902 sanctioning the entertainment of an additional clerk as a temporary measure for three months, I have the honor to report that a clerk was entertained on Rs. 25/-per mensem from 1st November 1902 for three months which period will expire by the end of the current month. As the increase of work in the Plague Branch viz; typewriting, fair - coping, keeping records etc, is of such a nature that the single additional clerk how -ever highly paid cannot cope with it; but has to be gone through by two or three men of ordinary qualifications on smaller pay, I cannot, without incurring additional expenditure, which is not desirable just at present, have one clerk on Rs. 25/-.

In these circumstances I beg the sanction of Govt. to the entertainment of two hands on Rs. 15 and 10 respectively till the end of the current official yaar in lieu of one clerk on Rs. 25, as sanctioned in the Govt. Progs, above reffered to.

In conclusion, I may add, that the present proposal entails no additional cost to Government.

I have the honor to be,

Sir,

your most obedient servt

Senior Surgeon and
Sanitary commissioner.
